As we all complete the hustle and bustle of preparing for Christmas may we reflect on our past and remember our loved ones. A special comfort to all of you with family and friends deployed this season. I am grateful to have all of our family gathering for Christmas this year. The past few years we have dealt with deployments. It is never easy but, you can get through it. Many of us have lost loved ones to be with our father in Heaven. Cherish every memory you have. Information about this program, including on how to order cookbooks, will be published in the next *Signal*.

Philanthropic Chairman, Carol Benda, announced that the collected toiletry items would be donated to the Brookside Family Life Center; a Christian based facility which houses single women and women with children on short term as well as long term basis. This facility helps women to get job skills, assists with job search, finding permanent housing, and provides drug rehabilitation.

Legislative Chair, Barbara Raines, reported that there are legislative chairs for Area I, III, IV, V, and VII. Legislative chairs are still needed for Areas II and VI. The legislative SOP was revised in 2011 and copies distributed to the Executive Board. She reported that during the period from June 30, 2010, through June 20, 2011, there were 3,643 legislative contacts made with Mississippi having made the most contacts. She explained that this figure probably reflects only a small portion of the actual contacts made by the Auxiliary members. Certificates of Appreciation were given to the persons who had volunteered to be the legislative Point of Contact for their area. Legislative awards were given to Alabama, Arizona, California, Florida, Georgia, Mississippi, New Mexico, Oklahoma, South Dakota and Wisconsin for legislative activity.

Scholarship Chair, Marlys List, reported that 5 applications for scholarships were received last year. One application was withdrawn due to ineligibility; two were not eligible as their applications were incomplete. Of the two remaining applicants Cassandra A. Venske, Wisconsin, received a scholarship in the amount of \$1,250.00 and Jordan L. Waters, Iowa, received a total of \$1,000.00. The scholarship selection committee proposed for the 2012/2013 scholarship year that one scholarship in the amount of \$1,250, and three additional scholarships in the amount of \$1,000 each, one being the scholarship donated by USAA, be awarded.

Marlys List also proposed that the criteria to qualify for scholarship be changed to include unmarried step children or step grandchildren. The proposed addendum was read for the assembly. It was hoped that by enlarging the criteria more applicants would qualify for scholarships and participation in the scholarship program would increase. This issue would be voted on by the membership during the new business session.

A 10 minute recess was taken.

Andy Strauss from California presented next year's national conference in Long Beach, California, from August 26 through August 29, 2012, with travel days being 25 and 30 August. President Jenny Lainhart requested for the Constitution Chair to relook the bylaws as there a many proposed changes to the bylaws. She appointed Richard Bryant from New Mexico, to head the Constitution Committee. Richard Bryant accepted the appointment.

The 2012 budget was proposed by the Auxiliary President, and was approved by the Executive Board and was now being brought forward for the general body's approval. Richard Bryant made motion to accept the 2012 proposed budget. Shirley Bogdon, from Massachusetts, seconded the motion. President Lainhart explained that the membership dues should not increase. The budget should increase by increased membership and by donations. She also explained that she is in discussions with USAA who may be offering to fund an Auxiliary scholarship. Discussions ensued about the proposed budget. Jenny Lainhart motioned for voting on the budget. The proposed budget for 2012 was approved.

Nomination Chair, Sondra Monastra, introduced the new Area Directors. Area I was vacant; Cathy Hammack, Area Director for Area II; Marie Brabham for Area III; Pat Bishop for Area IV; Margaret Greenfield for Area V; Linda Lyon for Area VI; and Dorothy Inglese for Area VII.

Philanthropic Chair, Carol Benda, stated that \$1,286.03 was generated through pop tabs and donations, and were donated to the local Ronald McDonald House. This year's collected toiletry items were donated to the Brookside Family Life Center. Additionally, several states donated pop tabs to their states: Kansas donated 57 pounds, Area VII 165 pounds, California 122 pounds, and Minnesota 70 pounds.

Carol Benda and the Philanthropic Committee also proposed a change to the constitution regarding the toiletry items. Due to transportation issues, the proposal stated that instead of bringing the toiletry items to the national conference, each state would make donations at their state level, and only present a letter during the conference to verify that a donation had been made. Discussions ensued regarding the proposed change, including the fact that since the Auxiliary is a Not-For-Profit organization, for legal and tax purposes the organization needs to show donations to other not-for-profit organizations.

Resolution Chair, Shirley Bogdon, proposed three resolutions:

1. Whereas: the West Virginia National Guard Enlisted Association and its Auxiliary have exhibited superior dedication, hard work, service and the willingness to conduct the 2011 Conference, we congratulate them. Whereas: the West Virginia National Guard Enlisted Associated and its Auxiliary have successfully shown its hospitality; now Be It Resolved: that the Auxiliary of the Enlisted Association of the National Guard of the United States, meeting this 15th day of August 2011, in the city of Charleston vote unanimously to express its gratitude and deep appreciation to the West Virginia National Guard Enlisted Association and its Auxiliary by means of the resolution.
2. Whereas: the South Carolina Auxiliary for the support of the Enlisted Association of the National Guard of the United States Auxiliary, has generously given their time and effort in support of the Auxiliary, and, Therefore, Be It Resolved that the Auxiliary Enlisted Associated of the National Guard of the United States, meeting this 16th day of August 2011 in the city of Charleston, West Virginia, voted unanimously to express its deepest thanks and appreciation for a job well done.
3. Whereas: the printing of our conference books was done by the West Virginia Auxiliary of the Enlisted Associated of the National Guard Auxiliary of the United States, we offer our sincere thank you for a job well done. Therefore, be it resolved, that the Auxiliary Enlisted Association of the National Guard of the United States, meeting this 16th day of August 2011, in the city of Charleston, West Virginia, voted unanimously to express our thanks.

Dorothy Inglese, California President, gave an update on next year's national conference in California. She gave everyone a view of California's next year's state conference pin. She also requested at this time that anyone who still had to turn in state pins for next year's Shadow Box to please do so at this time.

Lifetime Membership Chair, Vivian Taylor, announced that she was informed of one more additional death of an EANGUS Auxiliary member, the death of lifetime member # 142, Phyllis Sutts, from Ohio, who died since last year's conference. She also announced that she had received three new lifetime memberships during this conference.

Vice President, Pat Reed, thanked the Legislative and Silent Auction chairs for their hard work and diligent efforts. She also stated that the South Carolina Auxiliary had graciously offered to again man the Silent Auction table during next year's conference in California.

### **New Business:**

Mississippi donated a check in the amount of \$305.00 to the "We Care For America" Foundation this year, rather than participating in the Silent Auction.

Dianne Williams made a motion to adopt the new WebEx program for online meetings. Barbara Raines seconded the motion. There were no additional questions, and no opposition. WebEx was adopted. The constitution and by-laws would not be affected by WebEx. A SOP would be developed for usage of the WebEx. Jenny Lainhart would appoint three members to help with the development of the SOP which should be completed within 60-90 days.

President Jenny Lainhart stressed the importance of communications. She wanted to make sure that she hears from states via e-mail and by phone, and not to wait until the next conference before discussing issues. She would be always available for everyone. The Signal was everyone's newsletter, she was only the facilitator. She would expect to receive pictures, news from the areas and states, and when states conference and caucuses take place. She could even publish each state's registration form in case someone wanted to attend states or caucus conference outside their own area.

Marlys List made a motion to change the criteria of the scholarship constitution. She explained that a problem exists with scholarship applications not going out, and monies were, therefore, not going out or being distributed, and scholarship monies kept building up each year. President Lainhart recommended that since this issue has been ongoing, that the scholarship issue be carried over to the Constitution Chair and for him to form a committee and to work diligently and immediately on this issue. After the Constitution Chair had looked at the issue, the scholarship criteria change can once again be reintroduced for voting at a future conference. If this issued would come for voting on the floor today, it would have to have one hundred percent approval for it to pass, as the proposed changes had not been published 90 days prior to the conference.

Call for discussion was made and discussion ensued. Motion was made to read the current scholarship criteria, as well as the proposed changes. **ONE:** The following persons are eligible for auxiliary scholarship: EANGUS and Auxiliary members; unmarried, dependent sons and daughters of EANGUS Auxiliary members; spouses of EANGUS Auxiliary members. *The following are the proposed changes:* The following persons are eligible: EANGUS and Auxiliary members; unmarried, dependent sons and daughters of EANGUS Auxiliary members; spouses of EANGUS Auxiliary members; unmarried, dependent stepsons or daughters of EANGUS Auxiliary members; unmarried, dependent grandchildren/step grandchildren of EANGUS Auxiliary members. **TWO:** The criteria also require verification of membership in the EANGUS Auxiliary of mother, father or self is necessary for applicant to be eligible. *Proposed addendum:* Verification of membership in the EANGUS Auxiliary of the mother, father, self, grandparents/step grandparents is necessary for applicants to be eligible. **THIRD:** There shall be no consideration whatsoever be given by the judges because of rank or grade of applicant, applicant's parents, or applicant's spouse. Scholarships will be awarded on the basis of scholastic achievement. This is the proposed addendum: There shall be no consideration whatsoever be given by the judges because of rank or grade of applicant, applicant's parents, applicant's spouse, or applicant's step parents/step grandparents. Scholarships will be awarded based on scholastic achievement.

President Lainhart explained that since the proposed changes were three separate changes, the changes would have to be voted on in three separate votes.

1st Issue to be voted on:

Unmarried, dependent sons and daughters of life or annual Auxiliary members; spouses of life or annual Auxiliary members; unmarried, dependent stepsons and daughters of annual or life Auxiliary members; unmarried, dependent grandchildren/ step grandchildren of life or annual Auxiliary members (dependent grandchild can mean that the grandchild is not self-supporting but that he may be supported by his parents, but is still a grandchild).

Marlys List made motion to accept this list as stated, Tom McKinney seconded the motion. There were no further discussions. Result of voting was less than 100% and the motion was voted down. The proposed change could be brought to the constitution committee to look at and could be brought before the assembly again next year.

2nd issue to be voted on:

Verification of membership in the EANGUS Auxiliary of the mother, father, self, grandparents/ step grandparents is necessary for applicant to be eligible.

Marlys List made the motion to accept as read, Mary Chicken seconded the motion. No further discussion was requested and issued went straight for vote. The motion was voted down.

3rd issue to be voted on:

There shall no consideration whatsoever be given by the judges because of the rank or grade of the applicant, applicant's parents, applicant's spouse, and step parents/step grandparents. Scholarships will be awarded on basis of scholastic achievement.

Marlys List made the motion, Barbara Raines seconded the motion. No further discussion was requested and issue went forward for vote. Motion was voted down.

4th issue to be voted on:

To amend the scholarship application to require a 200 word written essay showing the applicant's need and ambition. Brooks Marr made the motion, Shirley Bogdan seconded the motion. Discussion ensued. One of the discussed items was that members felt the essay would have to be longer. The proposed amendment was voted down and did not pass.

President Lainhart asked the membership to let the constitution and scholarship committees know of any ideas regarding the scholarship issue, and for the committees to work on this issue prior to next year's conference.

Member Recruiting Award was accepted on behalf of Marie Brabham by Barbara Raines.

Dianne Williams was presented the Outstanding State Auxiliary Award.

This year's Publication Award was won by Roxie Barwick.

President Lainhart stated that the contact person whom to send next year's publication award application to would be published in The Signal so that newsletters could be e-mailed directly to that person.

"2012 EANGUS Conference Attendance Information"

"The Department of Defense/National Guard Bureau has found this event meets the minimum regulatory standards for attendance by DoD employees. This finding does not constitute a blanket approval or endorsement for attendance. Individual DoD Component commands or organizations are responsible for approving attendance of its DoD employees based on mission requirements and DoD regulations.

The Department of Defense has no legal objection to individual DoD Component commands or organizations approving the attendance or participation of its DoD employees at this Annual Membership Meeting. DoD Component commands or organizations may also approve the acceptance of reduced fees or free attendance by their employees in accordance with 31 U.S.C. 1353, Acceptance of Travel and Related Expenses from Non-Federal Sources.

This determination for official attendance by DoD personnel is not extended to the EANGUS golf tournament. If DoD personnel want to attend the EANGUS golf tournament, in a personal capacity, on off-duty time and at their own cost, they may do so. "No Federal endorsement is intended" by any approval for official DoD participation in this event."
